

SERVICES

Advising & Training

The UTSA SBDC provides one-on-one, confidential business advising services with certified business advisors at no cost to you. We can help:

- Develop and refine business plans
- Identify sources of capital
- Analyze financial records
- Conduct specialized research for your specific needs
- Create marketing strategies and advertising campaigns

We have an array of market research services, an extensive referral network and more. Our services are tailored to fit your needs.

We have the information you need to start, grow and manage your business. Our no-fee or low-cost workshops are geared towards the small business owner's experience.

Training topics include:

- Start-up basics and legal structure
- Financial basics with advanced options available
- Marketing and social media for all levels
- Disaster recovery planning
- Leadership and management skills

UT San Antonio is a Proud Member of the Texas South-West SBDC Network.

Funded in part through the State of Texas and a cooperative agreement with the U.S. Small Business Administration (SBA).
